Friday Events

7:00am Early morning yoga

Join us for an early morning yoga session on the front lawn under the beautiful oak trees. Enjoy a relaxing time with your fellow hygienists to start your day.

8:00am Welcome Statement

A wonderful breakfast buffet will be served

8:30am Keynote Speaker Begins

**Topic: Cracking Periodontal Codes With Class: Diagnostic Decisions**

**OBJECTIVES**

- Review clinical parameters involved in distinguishing periodontal classifications, including contrasting terms of gingival disease and periodontitis

- Discuss the paradigm shift within the nonsurgical approach to periodontal therapy

- List, describe, and differentiate the various periodontal diseases

- Analyze effective protocols for implementing diagnostic, preventive and periodontal codes

- Explore future trends of periodontal classification as discussed by the Academy of Periodontology

The Centennial Plaza Chapel

Friday 8:00am-2:00pm

12:00-1:00 Lunch Break

A delicious lunch buffet will be provided

1:00-2:00 Break Out Session for students

Students will join our keynote speaker for a dental coding class.

Non-students will stay in the conference room for 1 hr CE with Whitney Howerton, MDH RDH of Young Innovations.

**Topic: Stay Safe, Practice Smart: Best Practices & Products for Aerosol Management**

Aerosol management is a hot topic in dentistry and healthcare today. How do we protect ourselves, the team and our patients? Do we really understand the difference between aerosols and splatter? With protocols changing and so many resources available, let's take a quick dive into aerosols, best practices for managing them, and what products are available to help us!

2:00pm Closing Statement
KEYNOTE SPEAKER:
KATRINA M. SANDERS RDH, BSDH, M. ED, RF

A clinical dental hygienist, author, consultant, researcher and international speaker, Katrina is a vibrant, passionate and charismatic award winning educator with a unique approach to delivering continuing dental education. Known as The Dental WINEgenist, Katrina integrates her passion for dentistry and certification as a Level I Sommelier into course content over wine flights while unpacking provocative topics with a zest for dental hygiene.
